Notice To Parents And/or Responsible Parties

Do not sign the student agreement until you have read it completely.

1. This is a legally binding contract, but it is only binding when the agreement is accepted, signed, and dated by the school administrator.
2. You are entitled to a copy of this student agreement.
3. The school reserves the right to reschedule the program start and end dates and various calendar days during the school year.
4. The school reserves the right to terminate the student's educational services for non-payment of tuition or for the student's failure to abide by the established standards of conduct as spelled out in the student handbook.
5. Enrollment at Countryside Christian School is conditional based on the student's needs and the school's ability to meet those needs. Any student transferring from another school to Countryside Christian School must notify Countryside Christian School if the student has had an IEP or any other cognitive, medical, or behavioral diagnosis. Failure to inform the school of any previous diagnosis may result in the student being dismissed from our school. If an assessment has been made, the administration and the teachers will review the report and determine if the school is able to provide the help needed. Upon acceptance, the student will be on thirty-day probation at which time we will meet with the parents to discuss if we can accept the student permanently.
6. Throughout the school year, pictures will be taken in the classroom and during school events for publication in the school's newsletter, on our web site, in our yearbook, on our face book page, in the local papers, and other forms of advertisement. Signing this contract gives the school permission to use pictures of the student in this manner.
7. Every new student, regardless of situation, transfer, ability, or circumstances, is on a thirty-day probationary period. Failure to successfully assimilate into Countryside Christian School's environment may be reason to re-evaluate the student's continued enrollment.

I, the undersigned, have read and understand this student enrollment agreement and hereby acknowledge receipt of a copy. It is further understood and agreed that this agreement supersedes all prior verbal or written agreements and may not be modified without written agreement of the undersigned parent or responsible party and the undersigned school official.
